

**Name :Dr Emad Ali AL-Shalout**

**Email:**[eshalout@zu.edu.jo](mailto:eshalout@zu.edu.jo)

IT/ CIS Engineering Technology. civil Engineering Department

**Academic Rank: Assistant Professor**

**Membership:**

1	Jordan Engineering Associations
2	Transport Academy of Ukraine
3	Jordan Privet school Associations
4	

**Qualifications:**

1	October 2007 , Ph. D , Department of civil Engineering , Highway and Transportation Department . University of Damascus
2	1993 : Ms.in highway Engineering and transportation . Civil Engineering Department. Universityof Jordan.
3	1985 : Bs.in Civil Engineering , Department of Civil and Industrial Engineering . Z II ,Zaporoziyah Industrial Instant to utilize my passion for resort and teaching of highway Engineering , Transportations , pavement design in a dynamic focused atmosphere .
4	

**Professional Objective(s):**

To utilize my passion for research and teaching of highway engineering,transportations; pavement design in a dynamic focused atmosphere.

**Teaching Experience:**

#	From	to	

1	2013		Zarqa University
2			

**Publications:**

#	Title	Publisher	Year/ Issue (Vol/No)
1.	AL-ShaloutImad “ StasRateb , Miro Ossama “ ‘ the effect of freezing and throwing in durability of Asphalt concert mixtures	Journals Of Engineering Science. Damascus University	2005
2.	AL-ShaloutImad ‘StasRateb , Miro Ossama The effect of moistures and compaction temperature and gradation on the durability of Asphalt concrete mixture	Journals Of Engineering Science. Damascus University	2006
3.	Durability of asphalt concrete mixtures using Dolomite Aggregates	Collection of Scientific Work “ Automobile transport Issue37	2015 Issue 37
