

First: Conditions for Applying for Admission to Postgraduate Programs:

1. The applicant to the master's program should hold a bachelor's degree with a grade of no less than (good), or an equivalent grade.
2. A student with a bachelor's degree with an (acceptable) grade, or equivalent, may apply for enrollment in the faculty's programs provided that (3) master's courses are studied (during the first year of enrollment) to be determined by the department of specialization, and the courses are unified for all students applying for this specialization, and the student should succeed in each subject with a rate of not less than (70%), or its equivalent, at a cumulative rate of not less than (75%), or its equivalent, to become a regular student, and if the student passes these courses, they are counted within the required courses of his study plan, otherwise, his admission is canceled.
3. It is permissible for a student who obtained a high diploma degree with a grade of no less than (very good) to apply for enrollment in master's programs, regardless of his grade in the BA.
4. The number of freshmen students who are admitted in every specialization of the master's program in Jordanian universities, who obtained an acceptable bachelor's degree, should not exceed (25%) of the number of actually registered freshmen students every semester distributed as follows:
 - a) (10%) is a maximum limit for Jordanian students.
 - b) (15%) as a minimum limit for foreign students.
5. A student with a grade of no less than (good), or equivalent, may apply to join the PhD program.
6. It is permissible for a student who has obtained a bachelor's degree with an (acceptable) grade, or its equivalent, and a grade for a master's degree of no less than (good), or equivalent, to apply to the PhD program.
7. A. affiliated students who have a bachelor's degree, may apply for admission to graduate programs at Jordanian universities, provided the following is achieved:
 - Study a qualifying program in which the number of hours is not less than (30 credit hours) in the government universities only, and on the parallel program and its student capacities.

General policy for admitting students to postgraduate programs in Jordanian universities for the academic year 2020/2021 Issued based on provisions of Item (6) Article (6) of the Higher Education and Scientific Research Law No. (17) of 2018 and the amendment in accordance with the decision of the Higher Education Council No. (192), dated 9/7/2020

- The required courses in the qualifying program should be according to the student's specialization and within the specialized undergraduate courses of corresponding undergraduate programs in government universities, provided that the student passes all courses, with a cumulative rate of not less than (70%), provided that the university itself determines these courses in advance and announce it to students.

B. It is permissible for an affiliated student who holds a bachelor's degree with a grade of no less than (good) and was permitted, at the time, to enroll in the master's program, and ended it with a grade of no less than (good), to apply for admission to the doctoral program.

C. Students who obtained a diploma, as regular students, and a bachelor's degree, as affiliated students, are exempted of (50%) of the (30) hours qualification program for enrollment in the master's program in Jordanian universities and on the parallel program, provided the following:

- The title of the diploma is identical to the title of the bachelor's degree.
- That the concerned department at the university must specify the courses for the qualifying program with (15) credit hours for the student to be studied in the parallel program, provided that the student passes all courses in it, with a cumulative average of no less than (70%).

D. An affiliated student who has a bachelor's degree and a high diploma as regular student is exempted from studying for the (30) hours qualifying program to enroll in the master's program in Jordanian universities, provided that:

- The title of higher diploma is identical to that of a bachelor's degree.
- The higher diploma should not be less than (30) credit hours, and in case the credit hours for the higher diploma were less than (30) credit hours, the student completes the number of hours as specified by the department he wants to join to complete (30) hours.

Second: Other Conditions that Must be Fulfilled to Enroll in Graduate Studies Programs:

It is applied to all students wishing to enroll in graduate studies programs to fulfill a foreign language requirement as follows:

First: Every student who wants to enroll in higher education programs in Jordanian universities should present a foreign language ability examination like (TOEFL, IELTS, French language, German language), or an equivalent English proficiency exam held by the university, as follows:

1. TOEFL (iBT) for scientific specializations (medicine, dentistry, pharmacology, veterinary medicine, engineering in all its branches, and all specializations of the English language (translation, literature, English teaching methodology ... etc.) with a grade of not less than (90), and the remainder of the scientific specialization, the (MBA) with a grade of not less than (69), and the other humanities, economic, and administrative specializations with a grade of at least (59) from the AMIDEAST Center, Jordan branch only.
2. IELTS exam (for scientific disciplines) medicine, dentistry, pharmacy, doctor of pharmacy, veterinary medicine and engineering in all its branches, and the specializations of English language (translation, literature, English teaching methodology ... etc.) with a grade of not less than (6.5), the rest of the specialization for scientific studies, and for (MBA), with a grade of not less than (5.5), and the humanities, economic, and administrative specializations with a grade of no less than (5) from the British Council, Jordan branch only.
3. English language proficiency exam Equivalent to international examinations for scientific specializations (medicine, dentistry, pharmacy, veterinary, engineering for all its branches, and all specializations of the English language (translation, literature, English teaching methodology ... etc.) with a grade of not less than (75%), and the rest of the scientific, and (MBA), with a score of not less than (65%), and the humanities, economic,

and administrative specializations, with a grade of not less than (50)%, from the language centers in Jordanian public universities.

4. The following levels are approved for the purposes of calculating the marks of the French language and the German language for admission to the postgraduate programs:

Specializations	German Language	French Language
Language programs and their dependencies (translation ... etc.)	level B2	level B2
Scientific programs	level B1	level B1
Humanities programs	level A2	level A2

5. The following is exempt from article (First) above:

- a. The non-Arabic speaking students, who wish to join in the graduate programs of the Arabic language and the faculty of Sharia in Jordanian universities, from the condition of foreign language requirement if they master the Arabic language.
- b. Graduate program students who met the foreign language condition during their enrollment in the master's programs, if they had passed a foreign language exam or a qualifying program for (6) credit hours.
- c. Students with a scientific degree from English-speaking countries.
- d. Blind, deaf, and dump students, who are not able to obtain the foreign language as a requirement for admission to the graduate program in Jordanian universities, provided a medical report from the competent authority in the hospital of the university of Jordan or the university hospital of the Founder King Abdullah of the situation from which the student suffers, provided that the rate of deficiency in the above-mentioned cases is not less than (70%).

Second: In the event that the student did not submit what proves his success in one of the ability exams or his failure in the English language proficiency examination equivalent for global examinations according to (First) above, it

General policy for admitting students to postgraduate programs in Jordanian universities for the academic year 2020/2021 Issued based on provisions of Item (6) Article (6) of the Higher Education and Scientific Research Law No. (17) of 2018 and the amendment in accordance with the decision of the Higher Education Council No. (192), dated 9/7/2020

is permissible for the student to study an English language qualifying program at the university, with (6) credit hours, and obtain the average degree in these courses as per the desired specialization, as follows:

1. Humanities, economy, and administrative specializations (50%) or more.
2. Scientific specializations, nursing, rehabilitation sciences, and business administration (MBA) (65%) or more.
3. The specializations of medicine, dentistry, pharmacy, veterinary medicine, engineering of all its branches, and all specializations of English language (translation, literature, English teaching methodology) (75%) or more.
4. Students have the right to sit for the English language exam equivalent to the international English exams, during studying the qualifying program of the English language.
5. The student must study the English language qualification program and succeed in it during the first year of enrollment in the study programs for graduate studies; otherwise his admission is considered void.

Third: the Jordanian universities, if they see fit, decide to hold an exam in the Arabic language for students wishing to enroll in graduate programs, similar to an English language exam equivalent to the international exams, according to the exams held by the university.

Fourth: General Provisions:

1. Jordanian universities are allowed to approve the student's record in the English language qualification program as a substitute for the language examination, to move to another university to meet the requirements of obtaining the master's degree, provided the following:
 - a. The student is not expelled from the university, from which he is moving.
 - b. The transfer should be to the same specialty.
2. The expression "freshmen" mentioned in articles (Second/b) and (Third/2) of the policy means the academic year in which the student completes two study semesters in the university.

General policy for admitting students to postgraduate programs in Jordanian universities for the academic year 2020/2021 Issued based on provisions of Item (6) Article (6) of the Higher Education and Scientific Research Law No. (17) of 2018 and the amendment in accordance with the decision of the Higher Education Council No. (192), dated 9/7/2020

3. Priority is given to the condition of English language over the following conditions, which enable students to enroll in graduate studies programs:

- a. Register for the (9) hours package of the master's courses for the student who had the average of (acceptable) in the undergraduate program, as stipulated in article (Second/b) of the policy.
- b. Register for the courses of the qualifying package specified by the university for the students who wish to join a master's programs not related to his undergraduate program.
